

Areas of Expertise

◆ Electronics Packaging

- CE, UL

◆ Robotics

- Laboratory/Industrial Automation
- Motion Control

◆ Process Engineering

- Industrial Automation
- Machine Design

◆ Thermal Systems

◆ Automotive and Railway Systems

◆ Fluid Handling

◆ Consumer Products

◆ Medical Devices

◆ Aerospace/Defense Products

◆ Optical Systems

◆ Office Equipment

◆ Exercise/Sports Medicine

◆ Analysis

- Structural and Thermal FEA
- Testing

◆ DFMA&T

- Manufacturability, Assembly, and Testability

◆ Materials & Processes

- Precision Machining
- Sheet Metal
- Thermoformed and Molded Plastics
- High-Performance Plastics
- Aluminum Casting
